

Return to School...

We are so pleased to see students safe return to school. Over the past few months we have been working with the school following stringent social distancing policies. Your Catering Team have also adhered to cleaning procedures that are in line with the latest Government guidelines ensuring that we can continue to serve great food in a safe environment.

'NEW' Food Union

This year Chartwells launched the 'Food Union' menu to your school. Explore tastes from around the world –

We love to give our secondary school students a real variety of foods to choose from, so lunch times are a period of their day they really look forward to.

Our new 'Food Union' Menu helps students understand the importance of what they eat – both for their health and the wider world.

Your Catering Team encourage all students to try new cuisines beyond their own cultures – we have nutritional tasty dishes from India, China, and more such as our deep south diner, salads, sandwiches and snacks; students are never bored, only hungry for more!

Is Your Child Eligible For Free School Meals?

Your child may be eligible for FREE SCHOOL MEALS if you are in receipt of certain benefits (for example Income Support or Child Tax Credit). You may qualify if you receive Working Tax Credit. But it depends on the income your tax credits have been worked out on, and where you live in the UK. This could save you approx. £400 per year and allow your child to have a Hot Meal or Sandwich.
